European maker of digital signage display mounts, stands, trolleys, totems and kiosks, **Edbak** joined this year's **Digital Signage Summit Europe 2016**

At the DSS 2016, co-owners **invidis consulting** and **ISE** presented the most important topics, trends and drivers in the digital signage industry to an audience which includes DACH's top leaders.

Edbak showed a full range of products necessary for most digital signage installations: info kiosks, totems, tablet stands, trolleys, video wall mounts and more.
