Video walls should be easy to configure, quick to install and simple to maintain. The DS-VW765-POR Video Wall from Peerless-AV lets you create any configuration imaginable but leave the tedious calculations to the custom wall plate spacers.

Just install the first mount, then use the custom wall plate spacers to perfectly place each additional mount on the wall. No measuring, no guessing, no mistakes. It couldn't be simpler. The innovative design combined with a mount that is read-to-install right out of the box makes this the fastest installing video wall system ever.

Now in a design that is 20% lighter than previous models and loaded with time saving features like tool-less micro adjustments and easy-access to any display for quick serviceability - it's the ultimate video wall mounting solution.

Landscape version also available - DS-VW765-LAND
